Wachau Region

Magical Danube & Prague

President's Exclusive Charter Cruise Through the Heart of Europe

The majestic blue Danube—no other river in the world flows through as many countries. By land and by ship, we'll discover four capital cities in five countries, several UNESCO World Heritage Sites, and delightful scenic, cultural, rural and culinary experiences too

numerous to count! Spend days marveling at Europe's most beautiful landscapes, and evenings docked so you can take in the night life of its magnificent cities—including two nights each in Budapest, Vienna and Prague! We'll immerse ourselves in the splendor of Budapest (*NY Times*, *Condé Nast* Best Places to Go), whose imperial buildings dominate both banks of the Danube.

Aboard the deluxe *Amadeus SILVER II*, we call on the charming rural towns of Szentendre and Esztergom, before visiting the Slovakian capital of Bratislava, with its classic Baroque castles and palaces. We'll become immersed in the music, culture and imperial legacies of glittering Vienna, then sail through the stunning landscapes of Austria's Wachau region. The Baroque abbey of Melk awes before a countryside visit outside Linz brings Austrian agriculture to life. Docking in Germany's historic Passau, we head inland to our crescendo—dazzling Prague, Europe's best-preserved capital.

Good Morning!

I'm pleased to personally invite you to join me, along with veteran European Discovery Director Sue Froidl, to cruise the Danube River aboard the amazing MS *Amadeus SILVER II*. By demand, following our sold-out 2015 Magical Danube trip, we have again chartered this luxury ship exclusively for CTD travelers.

Prefaced by two special days in stunning Budapest, we'll board our luxury ship for the cruise of a lifetime. We'll experience the region's centuries-old cities, towns, countryside and cultural sites—all arranged specifically for our group. We'll meet a friendly farm family and experience local customs—a CTD tradition.

We insisted on this particular date, a prime time to visit this part of Europe, and this ship. With just 70 staterooms and 12 suites, the *SILVER II* offers an intimate atmosphere perfect for making friends, but with elegant, first-class service and amenities.

And, we've thrown in a plethora of inclusions, excursions and options that most companies don't offer—from round-trip airfare to all gratuities to complimentary bicycles while ashore—you'll just love the value and convenience.

Space is limited and these cruises fill fast, so please join in soon. Unlike other trips, once this program is sold out, we will not be able to add capacity, and we don't want you to miss out! I hope to host you in 2018 on this amazing trip!

Warm regards,

President

DAYS 1-2—UNITED STATES/WELCOME TO BUDAPEST

Upon arriving in Hungary, we'll be greeted by our professional, English-speaking Tour Director, then enjoy a traditional local lunch in Budapest, made up of two parts—Buda and Pest—on opposite banks of the Danube. With its cobbled streets and medieval architecture, Buda is the older and more graceful part, while Pest, with its wide avenues and impressive 19th-century buildings, is the administrative and commercial center. After a light orientation tour, we'll settle in at our 4-star hotel. Tonight, we gather for a relaxed welcome dinner. **L, D**

DAY 3—BUDAPEST TOUR/TREE OF LIFE/FOLKLORE SHOW

This morning starts with a sightseeing tour in this fascinating capital city where East meets West. After a visit to one of Europe's largest classic synagogues and its moving Tree of Life WWII memorial, enjoy lunch and free time to explore. Later, a real "WOW" moment strikes as we board our home for the next 7 nights: the *Amadeus SILVER II*. Your week on the blue Danube is underway! The excitement is palpable as we board to a festive welcome dinner hosted by CTD president Steve Uelner. Next, we invite a traditional Hungarian folklore group aboard, then take an evening cruise past the brilliantly illuminated architecture on both Budapest riverfronts, and beneath the famed Széchenyi Chain Bridge. **B, L, D**
