Dear Traveling Friends,

Since our humble beginnings 53 years ago, we have had the joy and blessings of traveling with you wonderful people all over the world. We wanted to take this opportunity to tell you about a big change that occurred at Brenner Tours in 2019.

After much prayer and consideration, Bob, Pam and Kaylee have started a 'new chapter' in our lives. Bob is driving the milk truck and motor coach, and Pam isn't working endless hours in the office putting together the many details of the tours. We are stepping away from the extremely busy lifestyle that we have had for decades. We are NOT retiring, but we do welcome a less busy pace.

Our son, Chad Brenner, has followed in his grandpa's (Earl Brenner) footsteps and is a farmer on the family farm—he loves it! Reports from the farm will continue on the motor coaches. Kaylee Brenner is an RN (registered nurse) and married Luke Aurner in July of 2019. We are *so* happy for them! Kaylee is enjoying her career as a nurse and helps with Brenner Tours when she is able to.

As for our business, Brenner Tours has taken the exciting step of partnering with Country Travel DISCOVERIES (abbreviated as CTD) to continue to offer tours. Steve Uelner is their President and Owner, and leads a tremendous staff. CTD has been operating tours all over the world since 1972, with an emphasis on tours to the U.S., Canada and Europe.

Country Travel DISCOVERIES tours are unique, in that they offer authentic experiences with locals and excursions to out-of-the-way places. Their tours are carefully planned and their staff even travels each tour route TWICE to make sure everything runs smoothly. We at Brenner Tours find Country Travel DISCOVERIES to be exceptional...a true gem in the travel industry. We have worked with CTD for several years and are very grateful to partner with them.

In 2020, Brenner Tours will be partnering with Steve and his team at CTD to offer you five unique tours. You'll find the itineraries for these tours in this handy brochure.

We will continue to make pick-ups by motor coach (and drop-offs) at our usual locations (Grand Rapids, MI, Martin, MI, Kalamazoo, MI and Middlebury, IN). More information on this service is provided in this brochure.

You can make your reservations for these five tours by calling Country Travel DISCOVERIES toll-free at 855-744-8747 or 262-923-8120. You can also book online at www.CountryTravelDiscoveries.com/Brenner. When you call, mention that you are a Brenner traveler. If you book on-line, enter "Brenner" as the promotion code. Reservations and deposits should be made payable to Country Travel Discoveries.

Thanks to this special partnership, we are able to offer a very special 2020 discount:

- Refer a friend who has never traveled with Brenner Tours or Country Travel DISCOVERIES, and you and the friend will both save money (\$50.00 per person). Your savings continue to build as you refer more friends. See page 16 of this brochure for details.

As in the past on Brenner Tours, Bob and Pam or Kaylee will accompany each tour in 2020. Bob and Pam will meet you on the motor coach and serve as Tour Directors on the Treasures of the Mountain West tour. On the four other tours in this brochure, Pam or Kaylee will be your escort and Bob will be the motor coach driver. We board a motor coach and tour the sights as a group. The fun, fellowship and adventures continue! The tours will operate similar to what you're used to for a Brenner Tour.

Please take some time to review the day-by-day itineraries for the five CTD partnership tours that we will be offering in 2020. We know that you will find these tours to be unique and include 'off-the-beaten-path' attractions, first class lodging, and fun dining experiences.

We look forward to traveling with you in 2020! God Bless You.

Bob, Pam, Kaylee & Chad
