Journey Through the Sierra

AUGUST 29-SEPTEMBER 5, 2026

Explore Three National Parks with this Active Adventure!

Join our National Parks Specialist on a very special small group adventure through some of America’s most beautiful and inspiring National Parks. Get up close with Giant Sequoias and gaze out at endless vistas across the Sierra Nevada. Travelers will enjoy lodging inside the parks, active excursions, and leisure time to enjoy at your own pace. We promise this one-of-a-kind trip will bring out the explorer in you!

DAY 1: WELCOME TO FRESNO!

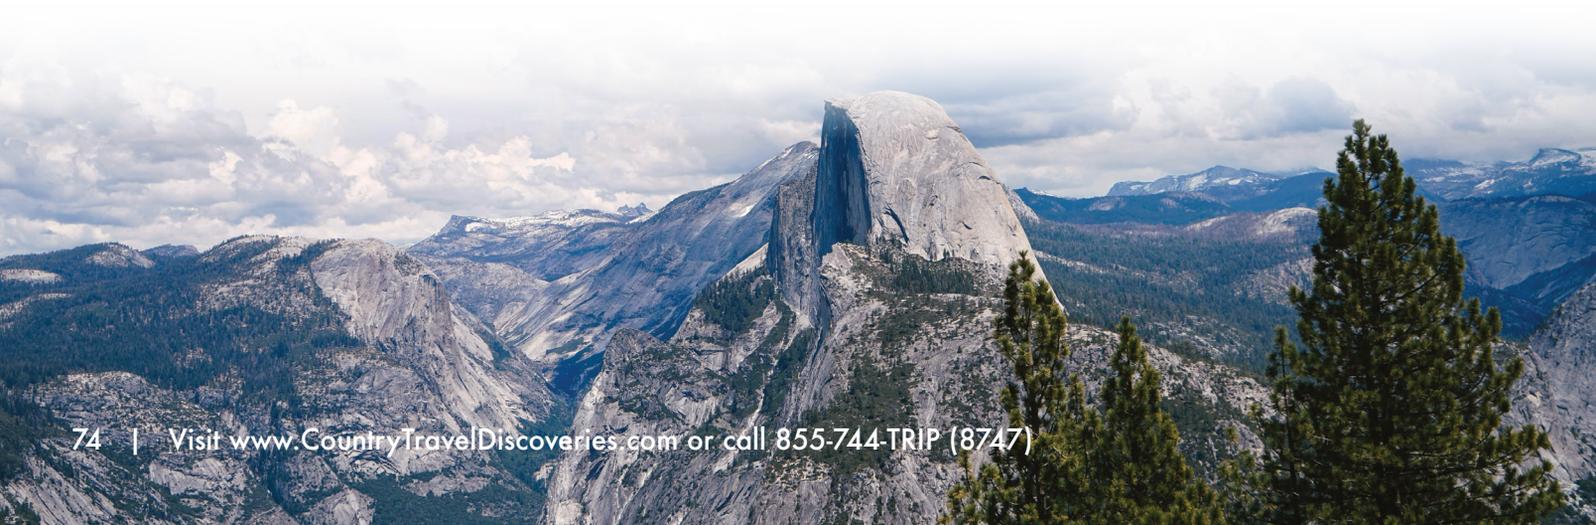

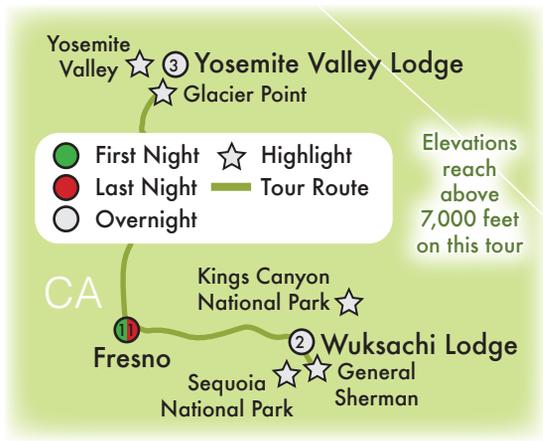

Arrive in Fresno and meet your fellow guests and Tour Director, Caleb Lawson. Caleb, VP at Sunrise Tours, has visited every National Park in the contiguous US, and is affectionately known to coworkers and travelers as the “National Parks Guru.” Enjoy a friendly Welcome Dinner. *D*

DAY 2: SEQUOIA & KINGS CANYON NATIONAL PARKS

Rise this morning and enjoy a full day guided tour of Sequoia & Kings Canyon National Parks. Together we’ll marvel at Giant Sequoias, the most massive living things on earth, and learn about the unique combination of elevation, climate, and fire that they need to thrive. Our walking tours to General Grant and General Sherman will give you an up-close look at two of the largest trees in the world. This evening, check in for a 2-night stay at Wuksachi Lodge in the heart of a dense lodgepole pine grove within Sequoia National Park. *B, L*

DAY 3: SEQUOIA FREE DAY

Today is yours to enjoy Sequoia National Park at your own pace! Enjoy the lodge and its nearby trails, or journey with your Tour Director to the Giant Forest area where

hiking trails abound, ranging from easy to difficult. Meander comfortably through this magical forest or take on the challenge at Moro Rock and scale its 350 steps for the best view of the park. Your Tour Director will help you plan your perfect adventure. **B, D**

DAY 4: YOSEMITE NATIONAL PARK

This morning, we depart the enchanted forests of Sequoia for the majesty of Yosemite. Together we'll experience the Yosemite History Center and hear about the early days of protecting Yosemite as the country's first State Park—eventually becoming a National Park. Then check in for an extended 3-night stay at Yosemite Valley Lodge, with nearby access to stunning views, hiking trails, dining facilities, and the park's free shuttle. Join an evening walk through the valley with your Tour Director to catch the last daylight glimmering off of the towering granite. **B, L**

DAY 5: YOSEMITE VALLEY

Today we take a guided open-air tram tour of Yosemite Valley for an overview of all there is to see and do in the jewel of the Sierra Nevada. After lunch at the historic Ahwahnee Hotel, spend the afternoon exploring Yosemite by foot or utilizing the convenient park shuttle. Then venture on your own or join your Tour Director to visit the Yosemite Museum, Welcome Center, Indian Village of Ahwahnee, and Ansel Adams Gallery. **B, L**

DAY 6: GLACIER POINT

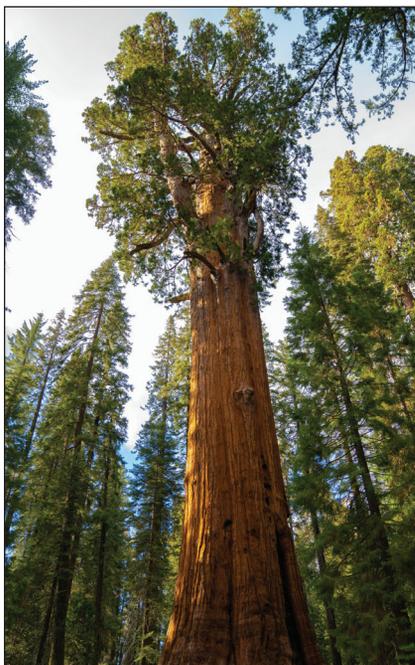

You're in for a real treat today as we journey up from the valley floor to Glacier Point—3,200 feet above the lodge below. Here we will savor Yosemite's most awe-inspiring views of Half Dome, El Capitan, and Nevada Falls. Feeling extra adventurous? Journey on an optional hike down the iconic Four Mile Trail (actually 4.7 miles) and enjoy stunning views of Yosemite Valley all the way back to the lodge. **B, D**

DAY 7: SUNRISE/FRESNO

Join your Tour Director for an optional early morning excursion to iconic "Tunnel View" for a sunrise we promise you'll never forget. Then spend your final morning in Yosemite taking it all in. Enjoy one last hike of your choosing, or relax along the peaceful Merced River beneath towering cliffs. Later this evening, we'll travel to Fresno for a farewell dinner to share our vacation memories before our departure home tomorrow. **B, D**

DAY 8: RETURN HOME

Travel home today, saying goodbye to your treasured new friends and the scenic beauty of the Sierra. **B** 🌍

Walk through the famous Sequoia National Park
