A Premier Bucket List Event!

The Rose Parade travels 5 ½ miles down Colorado Blvd. and features four types of entries: floral-decorated floats entered by a participating corporation, non-profit organization or municipality, equestrian units, bands, and Tournament Entries. Rose Parade participants have long histories with the Tournament of Roses and keep the traditions alive.

The earliest Tournament of Roses drew 3,000 spectators and showcased beautiful, flower-covered horse-drawn carriages. More than a century later, the parade floats are a marvel of state of the art technology, all tucked away beneath flowers and other all-natural materials.
